

A Wave of Sounds

Use your ears to listen,
Sometimes you can hear,
A change in the way the ocean acts
Before a tsunami appears.

Sometimes you can hear it,
Before it reaches shore,
A bubbling sound can signal,
That a tsunami is in store.

Sometimes you can hear it,
Before it reaches shore
A tsunami building up its strength,
With a thundering roar.

But...

Sometimes it's not what you can hear.
This thing may have no sound.
It's an eerie silence on the shore
Where you often hear surf pound.

Use your ears to listen,
Sometimes you can hear,
A change in the way the ocean acts
Before a tsunami appears.

Name: _____

Student Worksheet

A Wave of Sounds

Directions: Complete the graphic organizer below.

An incoming tsunami
may sound like...

A graphic organizer consisting of three empty rectangular boxes stacked vertically. A vertical line on the left side of the boxes has three horizontal arrows pointing to the left side of each box, indicating that the text on the left applies to each of the three boxes.
